Re: Theatre Area Auditions at Middle Tennessee State University

Welcome to each of you auditioning for the Theatre area of the Tennessee Governor's School for the Arts! Auditions will be held on second floor of the Boutwell Dramatic Arts Building (BDA), located in the center of the Middle Tennessee State University campus (across from the baseball stadium). Please refer to detailed directions on the GSFTA website (located in the "about" section, "contact/directions"). Please arrive 30 minutes before your scheduled time to register. Registration will open approximately half an hour prior to the first audition slot for the day.

Audition Guidelines/Requirements:

Your audition must fit in the time allotted. Acting only auditions shall be no more than 60 seconds. Acting/singing auditions shall be no more than 90 seconds. Your time begins with the first words you say, which should be your name and the audition number assigned onsite at registration. An accompanist will be provided for the audition. Please bring your sheet music with you to the audition. You may not sing without accompaniment, and you may not accompany yourself on a musical instrument or use a recording. Following your audition, you will interview with staff members of GFSTA. Please allow approximately 1 hour for the theatre audition and interview. Please see attached Audition information or visit the website to view the document online.

Additional Information:

If you are auditioning for multiple areas of Tennessee Governor's School for the Arts and have an audition conflict, please attend that audition first and then return to the theatre area to register for your theatre audition. Please DO NOT REGISTER until you are ready to audition. If you are running late to your audition, that is fine, just arrive as close to your time as you are able.

The audition results will be forwarded to the Director of the Governor's School for review and final selection. Results will not be available on the day of the audition. Every student will be notified as soon as possible following review and final selection – notification typically occurs by mid-February.

Please note that no observers are allowed as they are too distracting to the students. We respectfully ask that those people bringing students plan accordingly for the time of the audition (as MTSU is in session, Student Unions and related facilities tend to be open on campus with limited hours).

I wish each of you the best as you prepare for and audition for the program. On behalf of the theatre area faculty and staff, we look forward to seeing each of your gifts in the audition process! If you have any questions or need further information please email at Darren.Levin@mtsu.edu.

Safe travels, and see you soon!
